Indian equity markets saw gains as oil prices stabilized after settling higher on Jun 13, 2025, and data showed wholesale price inflation eased to a 14-month low in May 2025, driven by lower costs for primary articles, fuel, and power. However, market sentiment remained cautious amid escalating tensions in the Middle East due to the ongoing Israel-Iran conflict.

Godrej Properties Ltd has purchased a 14-acre plot in Bengaluru to create a high-end housing development projected to generate revenue of Rs.1,500 crore. The firm announced that it will construct a premium residential project on a strategically situated 14-acre land parcel in Hoskote, located in East Bengaluru.

Omaze Ltd has declared its intention to invest more than Rs.1,000 crore in the establishment of a new integrated township in Amritsar, Punjab. This initiative, referred to as New Amritsar Township, will be executed through the company's subsidiaries.

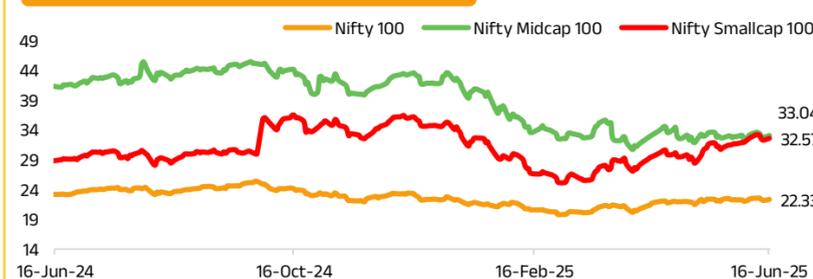

Tata Consultancy Services (TCS) announced that it has formed a long-term strategic partnership with Salling Group, the largest retailer in Denmark, to assist in its digital transformation and migration to AI-enabled cloud services. This collaboration will encompass Salling Group's 2,100 stores and 68,000 employees located in Denmark, Poland, Germany, Estonia, Lithuania, and Latvia.

Institutional investors

Definition: Institutional investors refer to those institutions/entities that have large amount of money to invest in various assets such as stocks, bonds, currencies, commodities etc. These investors generally account for a large percentage of the overall trading volume in the financial market.

Explanation

Institutional investors are generally supposed to possess better knowledge of investments and are less restricted in their investment activities than retail investors. Institutional investors may be classified as Domestic Institutional Investors (DIIs) and Foreign Institutional Investors (FIIs). Overall sentiments in the financial market are significantly dependent on the activities of DIIs and FIIs. They also affect the net investment inflows into the economy. However, their investment decisions are influenced by various economic and political factors. Institutional investors are the key players in the financial market which include Mutual Funds, Pension Funds, Insurance Companies, Investment Banks etc.
